

Georgia WBL Conference Registration Form

The Work-Based Learning Affiliate of the Georgia Association for Career and Technical Education (GACTE) is an organization of 300+ teacher/coordinators who provide leadership and guidance to the profession.

The GACTE Work-Based Learning Affiliate in partnership with the Georgia Department of Education, annually sponsors the Georgia Work-Based Learning Conference. The purpose is to convene educators to collaboratively engage in discussions on emerging practices and promote strategies for developing, implementing and sustaining high-quality WBL opportunities for all students. We are pleased to invite you to join us for this event.
